

## **\*\* FINAL WALK DETAILS \*\***

**Sunday, October 4, 2009  
Warner Park, Madison, WI**

***Walk will take place rain or shine!***

### **New this Year!**

Thanks to our Corporate Chair, Physicians Plus Insurance Corporation, we will be giving away both a boys and girls Schwinn bicycle at the Opening Ceremonies. All Walkers are eligible to be entered in the drawing, but you **must be present at the stage at 11:45am in order to win**. To be entered in the drawing, just visit the Physicians Plus table near the entrance to the Walk site. Bicycles are not exchangeable and can be brought home on Walk day.

### **Check-in Information**

- When you arrive, head to the registration area under the shelter to turn in your Walk Collection Envelopes. To speed up registration, please make sure that all information is completed, especially the "Subtotal" amount.
- Checks should be made payable to **JDRF**
- Each walker who raised \$100+ receives a Walk t-shirt

### **Snacks and Refreshments**

- There are two checkpoints along the route. Water, fruit, and bagels are provided. Juice boxes are available upon request.
- Lunch snacks are available in the food tent after the Walk. Water, granola bars, sandwiches, pizza, chips and cookies are available.

### **Team Information**

- Fundraising need not end on the day of the Walk! Friends, family and colleagues can make donations to your team up until March 1, 2010, but need to be received by November 15 to qualify for walker incentive prizes.
- In a gathering of more than 1,200 people, it can be difficult to find your teammates. Let your team know where to find you by using creative ways to stick out in a crowd. You can use balloons, put your team name on a sign and tape it to a long pole, make a banner, gather under a bright colored tent, just to name a few.
- Team t-shirts will be collected at check-in for our t-shirt contest. Winners will be announced at the Award Ceremony on Thursday, December 3.
